

**Fees for the application for studies in Polish and English
at the Medical University of Warsaw
in the academic year 2020/2021**

§ 1

1. The following fees for the application for studies in Polish at the Medical University of Warsaw in the academic year 2020/2021 shall be determined:
 - PLN 85 for every field of study;
 - PLN 100 for every field of study if the qualification process includes an entrance examination (in particular: proficiency examination, interview, analytical predisposition test) or a fitness assessment.

2. The following fees for the application for studies in English at the Medical University of Warsaw in the academic year 2020/2021 shall be determined at amounts being equivalents of PLN 85 and PLN 100, respectively, according to the average exchange rate of the euro published by the National Bank of Poland on the day preceding the day of opening the application system, i.e. on 6 March 2020 (average EUR/PLN exchange rate of the National Bank of Poland of 6 March 2020 was 4.3178), rounded up to full euro, i.e.
 - EUR 20 for every field of study;
 - EUR 24 for every field of study if the qualification process includes an entrance examination (in particular: proficiency examination, interview, analytical predisposition test) or a fitness assessment.

§ 2

1. The date of payment shall be the date of crediting the University's bank account with the fee amount.
2. An applicant shall bear the costs of any bank charges.
