Academic Expert in Orthodontics, Dir. Prof. S. Sato, Donau Universitat of Krems, Austria.

Visiting Professor in Adult Orthodontics at the Orthodontics Specialty, Director Prof. V. Piras, University of Cagliari, Italy

Author of scientific publications and lecturer in national and international congresses, conferences and courses.

Since 1997, in the first ten years of his career, he has dedicated himself to professional growth in prosthodontics, restorative dentistry, endodontics, gnathology, periodontics, implantology and oral surgery. Later, starting from 2007, he began to integrate his previous interdisciplinary path with the study and practice of orthodontics, in particular for the treatment of adult patients with compromised dentition and secondary malocclusion.

He carries out clinical research activities and practices in Monza, Italy, dedicating himself to prosthodontics, restorative dentistry, orthodontics, gnathology, periodontics, implantology, oral surgery and interdisciplinary rehabilitation of complex cases.
