9. ADDITIONAL INFORMATION

Excused Absences from Classes, Assessments, Examinations, and Clinical Placements/Internships

- In order to have an absence from classes, assessments, examinations, or clinical placements/internships excused, a student is required to notify the course coordinator or another person designated by the head of the academic unit, either by e-mail or in writing, no later than three working days following the date on which the class, assessment, examination, or placement took place. Submission of the justification after this deadline is permitted only if the student was unable to provide it for valid reasons; in such cases, the supporting documentation shall be submitted immediately upon cessation of the circumstances that prevented its earlier submission.
- In the event of an excused absence from an assessment, the student shall be entitled to complete the assessment at the next date scheduled by the academic unit.

- An unexcused absence shall constitute grounds for recording a failure to complete the course requirement on the given assessment date. If the student fails to complete the course requirement by the final designated assessment date within a given academic year, the course shall be recorded as not completed.
- A student who receives a failing grade in a course concluded with an assessment shall be entitled to two resit assessment opportunities.
